

A&SCC Resilience Group

Minutes 11th September 2026

1. Welcome

2. Attendees: Andy Heer, Andrew McNaughton, Catriona MacDonald, Ewan Band, Bill Bowman

3. Apologies:

John Brown, John Smith, Cllr Donald Lothian

The chair explained that our Falkland visitors would not be attending future meetings unless there were issues affecting them.

4. Notes Last Meeting: MoM accepted

5. Emergency contact numbers and procedures

There was discussion about these.

The late Bob Smeaton had compiled such a list many years ago and a surprising number of the telephone numbers were still valid.

The chair would contact neighbouring Community Councils to see what procedures they have in place, if any.

6. National Emergency Briefing film screening

The Community Trust is to screen this film at their AGM.

7. The Public Switched Telephone Network

Landline telephones will stop working on 31st January 2027. Telephone companies should have contacted potentially vulnerable customers to offer advice but it was suggested that Community Associations should investigate to ensure everyone has been contacted and understands the change.

8. Next Meeting

Next meeting 15th of January 2027, Church Session House, Auchtermuchty
Time: 14.00 hrs.
